Running Event Management

**TIMBERLINE EVENTS, LLC
ACKNOWLEDGEMENT AND ASSUMPTION OF RISK
RELEASE AND INDEMNITY AGREEMENT
Our lawyer made us say this... PLEASE READ CAREFULLY**

I know that running a road race, regardless of the distance, is a potentially hazardous activity. I should not enter and participate unless I am medically able and properly trained. I accept all the risks of participating in the 2009 *Civil War Relay* (hereafter "the EVENT") even if they are created by the negligence of a Released Party or any one else.

I agree to abide by any decision of a race official relative to my ability to safely complete this road race and I further agree that race officials may authorize necessary emergency treatment for me and may alter the course for the safety of the participants. I also understand that police protection will not be provided, parts of the event will take place at night, sometimes in remote areas and often several hours from medical facilities and both vehicle traffic and spectators will be present along the course and I assume the risk of running under such conditions. I grant my permission to *Timberline Events LLC* to utilize any photographs, motion pictures, videotapes, recordings, and any other references or records the EVENT may depict for any purpose, including commercial use by *Timberline Events LLC*.

I further assume any and all other risks associated with participating in the EVENT including but not limited to: physical exertion, authorized and unauthorized vehicles on the race course, illness, fatigue, altitude sickness, dehydration, traveling to and from the event on paved and unpaved trails, roads and highways at elevations between 4500 and 10,500 feet, slips, trips, falls, contact with spectators or other participants, bicyclists, the effects of the weather (including but not limited to temperature extremes, humidity, lightning, high altitude exposure and thunderstorms) and the surface condition of the roads (including but not limited to natural hazards such as rocks, dirt, water and debris and man made hazards such as cattle guards, pot-holes, fences, mile markers and delineator posts), all such risks being known and appreciated by me.

AS THIS IS AN OPEN COURSE, USE OF ELECTRONIC DEVICES, HEADPHONES OR EAR BUDS WHILE RUNNING IS STRICTLY PROHIBITED. ANY RUNNER OBSERVED BY RACE OFFICIALS OR REPORTED FOR USE OF THESE DEVICES WHILE RUNNING WILL RESULT IN IMMEDIATE DISQUALIFICATION OF THE RUNNER AND HIS OR HER TEAM.

I HAVE READ AND UNDERSTAND THE EVENT POLICY REGARDING ELECTRONIC DEVICES, HEADPHONES AND EARBUDS. Initials _____

Having read this waiver and knowing these facts, and in consideration of the acceptance of my entry, I hereby for myself, my heirs, my executors, administrator, or anyone else who might claim on my behalf, covenant not to sue, and waive, release and discharge Race Director Paul Vanderheiden, *Timberline Events LLC*, any and all cities, municipalities, government agencies, private land owners, or any other race officials, volunteers, and any and all other sponsors, suppliers, agents, independent contractors, contract-employees, and any other personnel in any way assisting or connected with this event from any and all claims or liability of any kind or nature whatsoever arising out of my participation in this event, even though that liability may arise out of negligence or carelessness on the part of the persons or parties named in this waiver.

I HAVE READ, UNDERSTAND AND VOLUNTARILY SIGN THIS DOCUMENT.

The minimum age of participants is fourteen years old. Participants between the ages of fourteen and eighteen, as well as their parent or guardian, will need to sign this waiver.
